# EDITOR'S NOTE: HOW TO CHOOSE THE AREA'S BEST WEDDING PROS

By: Anna Coats  
Marry Me Tampa Bay Editor-in-Chief

When planning a wedding the most important decisions to make (besides choosing your life partner) are the wedding pros you hire to deliver on your wedding day experience.

Selecting your wedding vendors can be overwhelming because there are so many to choose from. Most couples source personal recommendations, Google searches, social media feedback and national listing sites to begin their search, but the number of suggestions you receive can be mind-boggling.

One of the national wedding vendor listing sites has almost 700 photographers cataloged just for the Tampa Bay area! Even the most dedicated wed-to-be doesn't have time to narrow down all of those profiles, plus I personally wouldn't recommend over 70% of vendors on there (even ones with over 100+ 5-star ratings).

One of the best ways to keep wedding planning manageable is to start with a curated list of wedding pros. This can be from your wedding venue's preferred list, a selected poll from personal recommendations, or our collection of "Who's Who" of Tampa Bay Wedding Pros.

**We have purposefully kept our Marry Me Tampa Bay list selective to bring you the area's most reputable and respected wedding professionals.**

With our "Who's Who" publication, Marry Me Tampa Bay has done the research for you so that you can

focus on narrowing our list even further to choose the right fit for your budget, personality, and style.

Your wedding day is not a day that you can "do over" if something goes wrong, so choosing your wedding pros truly is an investment in creating an unforgettable day.

Our focus for selecting our "Who's Who" is intended for couples looking for professionals first and foremost. With experience and talent comes a higher price point, so if you're price shopping, our pros won't be the least expensive, but they will be the most qualified.

You want to hire professionals not only for their knowledge but also to plan for mishaps (because they will happen) and to fix them without taking away from your experience on the day of.

With this 2024 publication also comes complementary insight from the *Marry Me Tampa Bay* editorial team.

Email [social@marrymetampabay.com](mailto:social@marrymetampabay.com) or DM [@marrymetampabay](https://www.instagram.com/marrymetampabay) with the wedding vendors that you're considering, and we'll let you know if they are reputable and share any weddings we've featured from them.

Cheers,
